Policy Update (1)

- ## PDP

  – Mailing list review of proposed documentation of PDP under way

- ## IPv6

  – Andy Furnell's proposal to remove 200 /48 assignment requirement accepted at RIPE 49. To be discussed on mailing list.

Policy Update (2)

- HD-ratio applied to IPv4 allocations

  – Alain Bidron's formal proposal posted to list for discussion in February

- Whois

  – Eva Ericsson-Rabete's review of Whois registration issues at RIPE 49

  – Mailing list discussion to follow

Training

- Training Activities focusing on major RIPE NCC activities
  - New LIR course material to be launched during RIPE 50.
  - "Using RIPE Whois DB" to be launched during RIPE 50
- Preparing CBT delivery
  - Working closely with APNIC

DONE…

- K rootserver anycast
  - 2 global nodes, 9 "local" nodes
  - Working with APNIC on deployment in Tokyo & Brisbane
- ERX finished
  - Phew… ☺
- RPSLng deployed
- AfriNIC operational (phase II)
  - As of last Monday

Back-Office Focus 2005

- Resource management system
  - "Evolution" since 1992
  - Needs serious streamlining
    - i.e. throw out, replace, integrate

- Integration of "ticketing islands"
  - Replacement of current system(s) (!)

- Pre-historic PABX to be replaced
  - Keep up with technology and jump ahead…

- In short:
  Our engineers will be somewhat busy internally this year…

Membership Liaison

- RIPE NCC Regional Meetings
  - Revised agenda
  - More compact / RIPE NCC centric
  - Emphasis on "Update"
- Locations
  - Russia / July
  - Gulf Area / Q4

Corporate Governance

- General Meeting (II) on 24 September
  - Charging Scheme 2005 approved
  - Ca 10 % reduction of fees

- Executive Board approved…
  - Activity Plan 2005
  - Budget 2005

- Annual Report 2004
  - Audit 2004 closed
  - Surplus 2.7 MEUR

External Issues

- WSIS is the main focus

- Joint effort between all RIRs

- Attended various PrepComs

  – Damascus, Dubai, Accra…

- New initiative:
    Roundtable on Internet Management

  – Geared towards Governments and Regulators

  – First roundtable meeting: 30 March

  – Second possibly around Luxemburg ICANN mtg.

- Meeting new EC Commissioner

- Special *Member Update* on Internet Management

RIPE 50
Stockholm
2-6 May, 2005

Meeting format change!
