# OPM

- **2 Major SIG: NIR and IIX.**
- **Result: 16 Policy Documents, with:**
  - **6 Policies on IIX services**
  - **2 Policies on APJII services**
  - **8 Policies on IDNIC services**
    - **4 Operational Policies**
    - **4 Informational Policies**
  - **3 documents is still on draft and are not being agreed yet.**

- **Current issues under OPM 5:**
  1. **Small Multihoming fees:**
    - a. **We going to create new category: In-Direct Member and Direct Member.**
    - b. **The fees will be the same.**
    - c. **Fees for Small Multihoming as the same with APNIC policy:**
      - **Start-Up:**
        - a. **IP Address: USD 8192**
        - b. **ASN: USD 500**
        - c. **Per-allocation fee: USD 0,10**
      - **Annual Fee:**

        - b. **ASN : USD 50**
      - **Education Institution: Start-Up are being reduced to USD 2500.**
    - d. **We still need more clarification from APNIC before we can decide further.**

2. **Impact on APNIC fee for Small Multihoming under NIR:**
  - a. In-Direct member (thru one of NIR Member) ?
  - b. Direct member to NIR ?
3. **Historical Allocation under IDNIC:**
  - a. The organisation want to register under IDNIC. Is it the same fees apply as for ERX-Transfer on APNIC ?
  - b. The current ERX-Transfer from ID, want to transfer their membership under IDNIC, what is the procedures ?
  - c. Impact on fee to APNIC ?
4. **Current Fee Structure for IDNIC member:**
  - a. Small, until /20:           USD 700
  - b. Medium, until /19:        USD 950
  - c. Large, More than /19:    USD 1200
5. **Suggestion for New APNIC Fee Structure:**
  - a. Fees for current member especially medium and large member are very high.
  - b. Most of our Small member will be impact directly with this new fee's.
    - Have to pay 2 times from the current fee and this is very high for development country like Indonesia.
  - c. Prefer to go back with the current fee.
