Internet Governance Plenary: APNIC Conference

presented by

Professor Peng Hwa ANG

Director, Singapore Internet Research Centre

Phnom Penh, Cambodia

August 28, 2012

The IGF

1. UN has mandate to call IGF meeting
2. IGF is not intended to follow the UN process
3. IGF has “soft power” to “recognise issues”
4. Internet governance is not to be an end in itself but to respond to social and economic development
 - Development dimension creates tension between developing and developed economies

APrIGF Recommendations to the IGF

- IPv6—critical to deploy
- Privacy for cloud computing
- ICT for disaster relief
